

B: The Boy and the Bear

A fun way to develop speech and language skills

Recommended for pre-school to grade 2

The Boy and a Bear

Introduce your child or students to the B sound in this cute story about a boy who meets a bear and plays with him. The sound play with the B sound and the engaging illustrations will delight the child.

This book is a valuable resource for parents and teachers containing lesson plans to develop a child's vocabulary, speech, literacy, grammar and social skills.

“One in a series of imaginative stories that engage children in "sound play".

Margo Lepage has been a professional speech-language pathologist for over 30 years, and a mentor to other clinicians, classroom teachers and parents; specializing in speech and language delays and disorders.
